

(Above) She has "Ichigo Pocky" (Strawberry tasted baked stick) and surfs the web on a Lap Top PC on the bed. Those are some of Magi's favorite things.

(below) The web camera on the PC that sends Magibon all over the world.

←「今はまだ枯れ木だけど、夏には緑一色、秋には紅葉で真っ赤になるの」とマギ

冷蔵庫から取り出したのは、なんと「出前一丁」。通販で買ったんだって。恐るべし「日本マニア」ぶり！

Even now the trees are still withered. In the summer the leaves will be painted green all over, and in the fall they are tinged red.

マギボンが町をご案内。「ここ町のメインストリートです」

Magibon guides us through her town. Hers is the main street in town.

お部屋のベッドの上で。かわいいぬいぐるみや小物がたくさん置いてある

She sits on the bed in her room. Many pretty stuffed toys and small articles are placed nearby.

How!(Wow!) She pulls "Demae Icchou" (pre-cooked noodles) from the icebox, which were bought from a mail-order house. She is a great enthusiast about Japan.
